

ANNOUNCEMENT

Fellowship

The Board of Rolf Luft Foundation for Diabetes Research has decided to announce fellowship/stipend 2023 to young researchers (post doc, 0-3 years after dissertation) at Universities in Sweden. 40 000 SEK is available for travel grants and/or fellowships to study at another University.

Instructions for application for fellowship

The application in English should include the following:

- Research plan (max 2 pages), CV including a list of publications.
- A short letter of recommendation from research group leader.
- Letter of invitation from the University to visit (from the supervisor to be).
- A budget. The application must state if the fellowship will be used for travel costs and/or for personal living costs during the post doc period.

To apply, please use the enclosed form with the applicant's name, postal address (university, home) and e-mail address. The application shall be sent by e-mail to kerstin.brismar@ki.se, or in three copies to the Rolf Luft Foundation for Diabetes Research, c/o Kerstin Brismar, Sonja Kovalevskys gata 2, lgh 1803, 113 66 Stockholm by May 31, 2023

Application form follows on next page.

Stockholm March 14, 2023
