

# Anniversary – 30 years BIOMEDICINE PROGRAMME 1995–2025

When the Biomedicine Programme started, it was the first general academic educational programme at Karolinska Institutet.

Today the programme offers international Bachelor's and Master's Programmes, with students from all over the world. Many of our alumni have successful scientific careers in academia, while others hold prominent positions in industry, governmental agencies or non-profit organisations.

Come celebrate the 30<sup>th</sup> Anniversary of the Biomedicine Programme at Karolinska Institutet!

**Date:** 11 October 2025, 13:00–21:00

**Place:** Aula Medica, Nobels väg 6  
Medicinska Föreningen, Nobels väg 10, Solna Campus, Karolinska Institutet
