

# Karolinska Hematology Seminar XVIII

## Webinar September 3-4, 2020

In 2020, the Karolinska Hematology Seminar is organized for the eighteenth time. Due to the Covid-19 pandemic, the conference will now be held as a two-day webinar with the aim of offering State of the Art lectures by internationally leading experts in selected hematological areas. **The lectures are about one hour and are followed by interesting discussions and exchanges of experience between participants and lecturers. You will be able to ask questions to the speakers via an online chat.**

Welcome !
