

Can we pick your brain?

Join us for the KI launch of NeurotechEU

14th April

11.30-12.30

Online

NeurotechEU is a trans-European network of excellence in brain research and technologies to increase the competitiveness of European education, research, economy and society.

We invite you to:

- Learn more about the Neurotech^{EU} consortium
- Hear about 'Neurochallenges of the future', the workpackage KI is responsible for
- Learn how you can use your brain in this initiative

Welcome to join us for the KI launch!
