Pediatric immunology, infection & inflammation (PIM) Seminar Series 2021

Date:

13:00 May 21, 2021

Place:

<https://ki-se.zoom.us/j/69452356358?pwd=NEV6bFZ3Wm92SWtBUe5N1ZXNmdqZz09>

Immune system development varies according to age, location, and anemia in African children

Dr. Michelle Linterman

Group leader at the Babraham Institute, Cambridge UK

In addition to her seminar, Dr. Linterman will be available to meet with researchers individually and with students in smaller group discussions. If interested and for additional information please contact camila.consiglio@ki.se

Hosted by Petter Brodin, SciLifeLab/KI
